METHODS

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

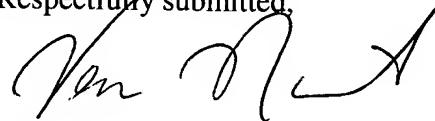

The references cited on the attached form PTO-1449 are being called to the
attention of the Examiner. Copies of the references listed are enclosed herewith.

It is respectfully requested that the cited information be expressly considered
during the prosecution of this application, and the references be made of record therein
and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the
information and references cited are prior art merely because they are in this statement
and no representation is being made that a search has been conducted or that this
statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement, since it is being submitted prior to the first Office Action. However, if a fee is required, the Commissioner is authorized to charge such fee to Deposit Account No. 502043. Please charge any additional fees or credit any overpayment to the above-noted Deposit Account.

Respectfully submitted,

Vern Norviel
